

DEVOTIONAL TIME IN THE PRESENCE OF GOD

(October 4, 2021)

A thought invades my mind as I mused in Scripture and Prayer with the Lord Christ in reference to my physical pain. I placed myself in the same position of a little old Christian Lady I heard about who said to her driver one morning as she sat in her car in front of her house:

JAMES, “Go up a few blocks—turn right.

1) Go to Pain Street...turn Left at Problem Avenue,

2) Drive on Up to Perplex Blvd. Turn Right...

3) Now James, “Drive me on down to Praise Lane, and Park!!!”

I’m going to the doctor on Thursday, October 7, 2021, and I am praying that Wisdom will be given to him, effectiveness of the treatment.

God could have prevented the problem; but I know it is for His glory that I may yet praise Him! Thus, I find myself on Praise Lane this morning with the Lord!
